ABOUT THE COVER — Living History Farms in winter. Living History Farms is a private, non-profit historical, educational Foundation. This 500-acre outdoor museum is located at Des Moines near I-35 and I-80 at Hickman Road (Exit 32). There are three fully operative farms: a pioneer farm of 1840, a horse farm of 1900 and a "farm of the future." An 1870 mansion and an agricultural museum can also be toured. It is open daily from April 16 through October 29. An admission fee is charged.

The cover picture is by professional photographer Edward Mulvin of Des Moines.

WARNING: Unlawful Uses of the Telephone

Fraud

Iowa law prohibits the fraudulent use of a credit card or telephone billing number, or obtaining or attempting to obtain telephone service with intent to avoid charges. The maximum penalty for violation is a fine of $1,000 or 5 years imprisonment or both.

Annoyance Calls

Intentional annoyance of any person by use of the telephone is prohibited by law. The maximum penalty for violation is a fine of $500 or imprisonment for one year or both.

Party Line Misuse

The Iowa law relating to intentional obstruction of emergency telephone calls reads as follows:

Section 1. For the purposes of this Act, the following terms have the meanings ascribed to them.

1. "Party line" means a subscriber's line telephone circuit, consisting of two or more main telephone stations connected therewith, each station with a distinctive ring or telephone number.

2. "Emergency" means a situation in which property or human life are in jeopardy and the prompt summoning of aid is essential.

Section 2. Any person who shall intentionally refuse to relinquish immediately a telephone party line or public pay telephone when informed that such line or telephone is needed for an emergency actually existing in Section One of this act, for use in calling a fire department or police department or for medical aid or ambulance service, shall be fined not exceeding one hundred dollars or imprisoned in the county jail not exceeding thirty days.

Section 3. Any person who shall secure the use of a telephone party or public pay telephone by falsely stating that such line is needed for an emergency call shall be fined not exceeding one hundred dollars or be imprisoned in the county jail not exceeding thirty days.

how to save money

Telephone people want to provide you with telephone service that fills your needs. So we've put together the following tips to help you choose good telephone service at the lowest possible cost.

HOW TO SAVE ON LONG DISTANCE

call station-to-station.

This type of long distance call is lower priced than person-to-person. Call station-to-station when you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers. (This includes answering machines.)

dial direct.

You'll save money by dialing station-to-station long distance calls yourself. They cost less than operator-assisted calls, and are faster, too. Direct dialing rates also apply on station calls placed with an operator where direct dialing facilities are not available.

call when rates are lower.

Call long distance on week nights and on weekends for lower rates. Higher rates are during business hours on weekdays.

call on holidays.

Rates are less on some holidays. You can take advantage of the lower holiday rate by calling on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day.

schedule your calls.

If you schedule long distance calls in advance, your friends or relatives will be expecting your call. Then you can call station-to-station instead of person-to-person. Dialing station-to-station can cost less than half as much as calling person-to-person.

plan your conversation.

Decide what you want to say and jot it down before you call. That way, you'll be able to cover everything in less time. You can avoid repeating things by having family members listen in on extension phones.

don't pay for wrong numbers.

If you dial a wrong number, call the operator right away to make sure you're not charged for the call.

report bad connections.

If you have a bad connection, hang up and call the operator. The operator will see that you get a better connection and adjust the charge so that you won't be billed for the time your call was interrupted.

check your directory.

Before making a long distance call to a business in another town, check your phone book to see if the business has a toll-free number. If they do, you'll save yourself the price of a long distance call.

OTHER MONEY-SAVING TIPS

vacation aid:

If you're going to be away from home for a month or more, you can save money by temporarily suspending your Northwestern Bell telephone service. The rate for suspended service is lower than most regular rates, and you can have your calls transferred to another number. There is a $10 charge to restore your service when you return home.

pay phone refund:

If one of our pay phones keeps your dime and doesn't give you a call, please jot down the number of the offending phone and report it to the operator. We'll mail you a refund and have the phone fixed as soon as possible.

bill problems?

It's always a good idea to check your phone bill before you pay it. If you have a question about your bill, call the business office. A service representative will help you solve the problem.

long distance rates

Out-of-state rates shown on this page became effective September 13, 1977 and are subject to change.

rates to other states *except* Hawaii and Alaska

LOWEST RATES: dial-direct rates

Dial-direct calls are those calls completed from a residence or business phone without operator assistance. Dial-direct rates also apply on calls placed with an operator from a residence or business phone where dial-direct facilities are not available. Additional savings apply if you dial direct during the "discount" time periods indicated on the chart below.

	Dial-Direct One-Minute Rates		
		MON TUE WED THU FRI SAT SUN

***Rates for calls made from other towns listed in this directory may vary slightly.**

calling time: Charges are based on rates in effect at the time of connection at the calling point, including calls beginning in one rate period and ending in another.

holiday rates: **New Year's Day, July 4th, Labor Day, Thanksgiving, Christmas Day**
On these legal holidays, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (nights & weekends). On operator-assisted calls, the dial-direct discount rate applies only on additional minutes.

calls outside the continental U. S. (including Alaska and Hawaii)

These are different dial-direct rates that apply on calls to Hawaii, Puerto Rico, U.S. Virgin Islands, Canada and the Bahamas. Other locations capable of being dialed direct are Alaska and parts of Mexico, including Mexico City. For calls to all other points outside the continental U. S., dial "0" and ask the operator to place your call. The operator can also give you rates for calls to these locations.

25051 © Northwestern Bell Telephone Company 1978

how to dial long distance calls

Instructions for only Ames, Gilbert and Napier telephone users with telephone numbers beginning 232-, 233-, 239-, 292-, 294- or 296-.

TO GET AN OUT-OF-TOWN NUMBER

- dial "1"
- dial the area code (if different from "515")
- dial 555-1212

STATION-TO-STATION CALLS

- dial "1"
- dial the area code (if different from "515")
- dial the telephone number

PERSON-TO-PERSON CALLS

- dial "0"
- dial the area code (if different from "515")
- dial the telephone number
- when the operator comes on the line, say you're making a person-to-person call and give the name of the person you want to talk to.
- the operator will leave the line when the person you're calling has answered the phone.

COLLECT CALLS

- dial "0"
- dial the area code (if different from "515")
- dial the telephone number
- when the operator comes on the line, say you're placing a collect call and give your name.
- the operator will leave the line when the person you've called has agreed to accept the long distance charges.

CREDIT CARD CALLS

- dial "0"
- dial the area code (if different from "515")
- dial the telephone number
- when the operator comes on the line, say you're placing a credit card call and give your card number.

THIRD NUMBER CALLS

- dial "0"
- dial the area code (if different from "515")
- dial the telephone number
- when the operator comes on the line, say you'd like to charge your call to a third number and give the operator that number.

CONFERENCE AND MOBILE CALLS

- dial "0"
- when the operator answers, say what kind of call you wish to make and the telephone number or numbers of the people you want to call.

OVERSEAS CALLS

- dial "0"
- when the operator answers, say you want to make an overseas call and give the name of the country you're calling.

NOTE: Some customers can now dial overseas calls directly to 36 countries. See page 13 for more information.

INWARD WATS (no charge)

- dial "1"
- dial "800"
- dial the telephone number

TO REACH INWARD WATS DIRECTORY ASSISTANCE (no charge)

- dial "1"
- dial "800"
- dial 555-1212

TIME AND CHARGES

- dial "0"
- dial the area code (if different from "515")
- dial the telephone number
- when the operator comes on the line, tell the operator what kind of call you are making and that you will want time and charges when the call is completed.

IF YOU REACH A WRONG NUMBER

- dial "0"
- when the operator answers, explain the problem and give the operator the number you intended to reach. You will not be charged for the incorrect call.

YOU WILL NOT BE CHARGED

- if you hang up before you dial the complete number or if the telephone number you dial is busy or does not answer.

IF YOU NEED ASSISTANCE

- dial "0"
- the operator will be glad to help you.

25051 © Northwestern Bell Telephone Company 1978

long distance calling

In Alleman, Colo, Huxley, Kelley, Sheldahl and Slater you can dial your own station calls to telephones with 7-digit numbers.

In Ames — See instructions on opposite page 8.

DIRECT DIALING

- Dial "1"
  (Alleman, Huxley, Sheldahl, Slater — Dial "1" plus the access number assigned to telephone)
- Dial the Area Code if different from 515
- Dial the Telephone Number

TO PLACE A CALL WITH THE OPERATOR

Person, collect, credit card, and calls from coin telephones are placed with the Operator. Give the Area Code of the place you are calling and the phone number.

0 - area code if different — number

Mercy - CR
0 - 319 - 398 - 6011

TO GET AN OUT-OF-TOWN NUMBER

- Dial "1"
  (Alleman, Huxley, Sheldahl, Slater — Dial "1" plus the access number assigned to telephone)
- Dial the Area Code if different from 515
- Dial 555-1212 (There is no charge)

TO GET A WATS NUMBER

(Wide Area Telecommunications Service)

- Dial 1+800-555-1212 (no charge)
  (Alleman, Huxley, Sheldahl, Slater — Dial "1" plus the access number assigned to telephone)

IF YOU REACH A WRONG NUMBER

Dial "OPERATOR" right away. The operator will see that you are not charged.

YOU WILL NOT BE CHARGED

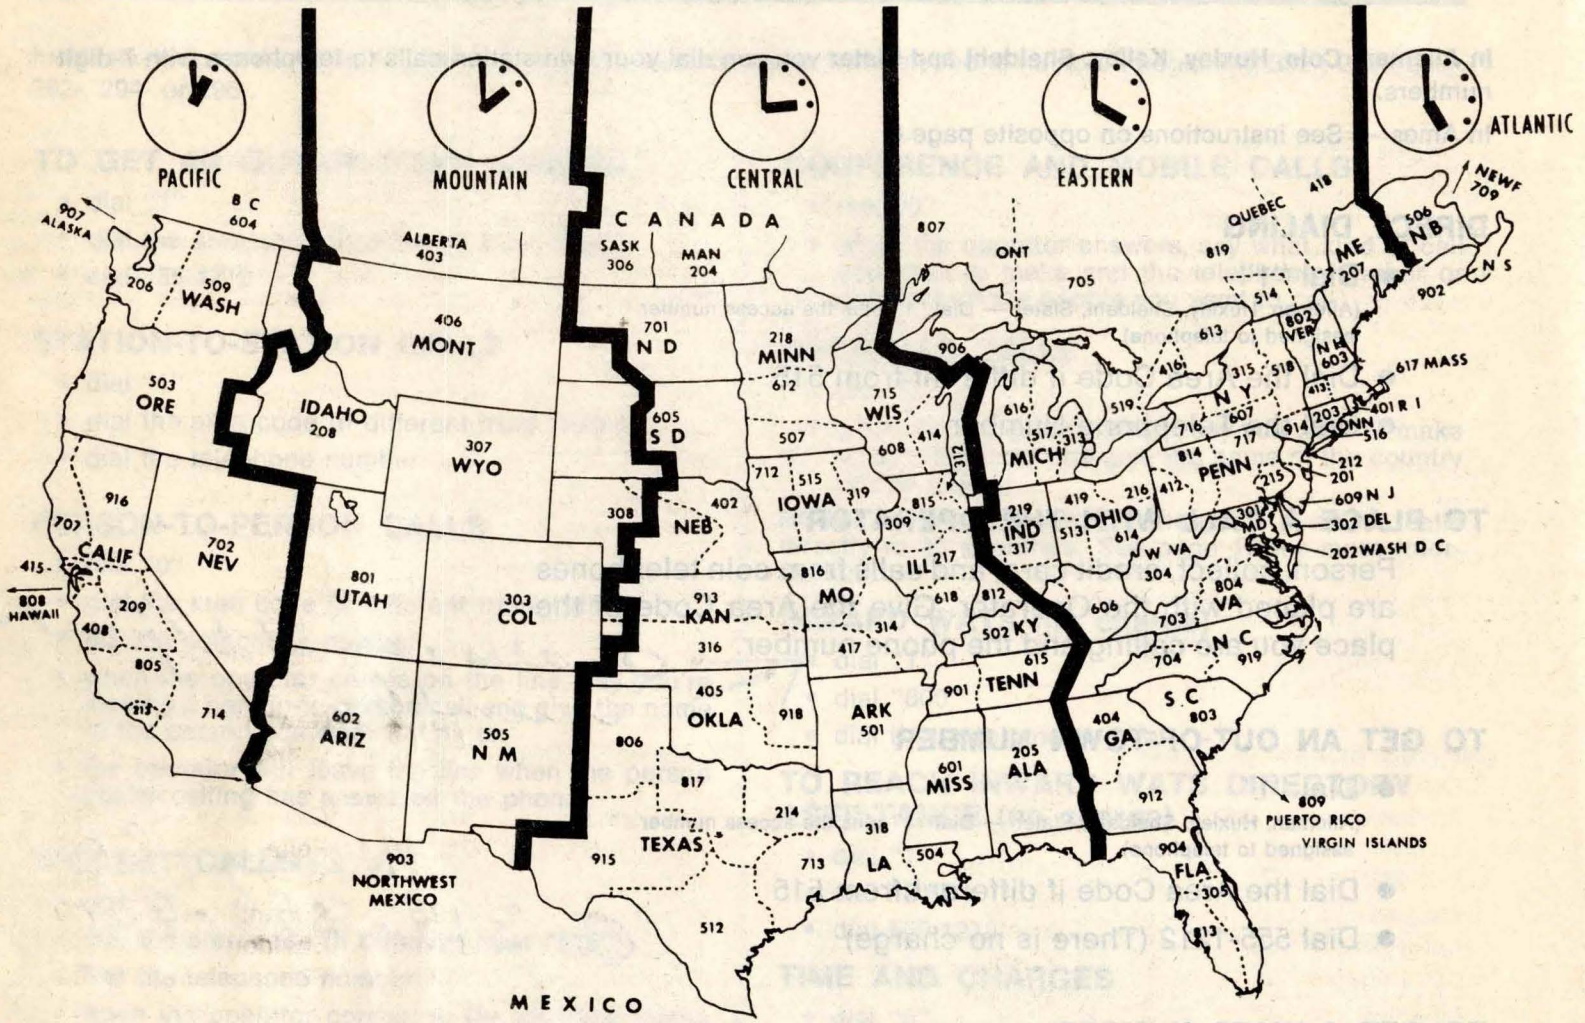

If you hang up before you dial the complete number.
If the number you dial is busy or does not answer.

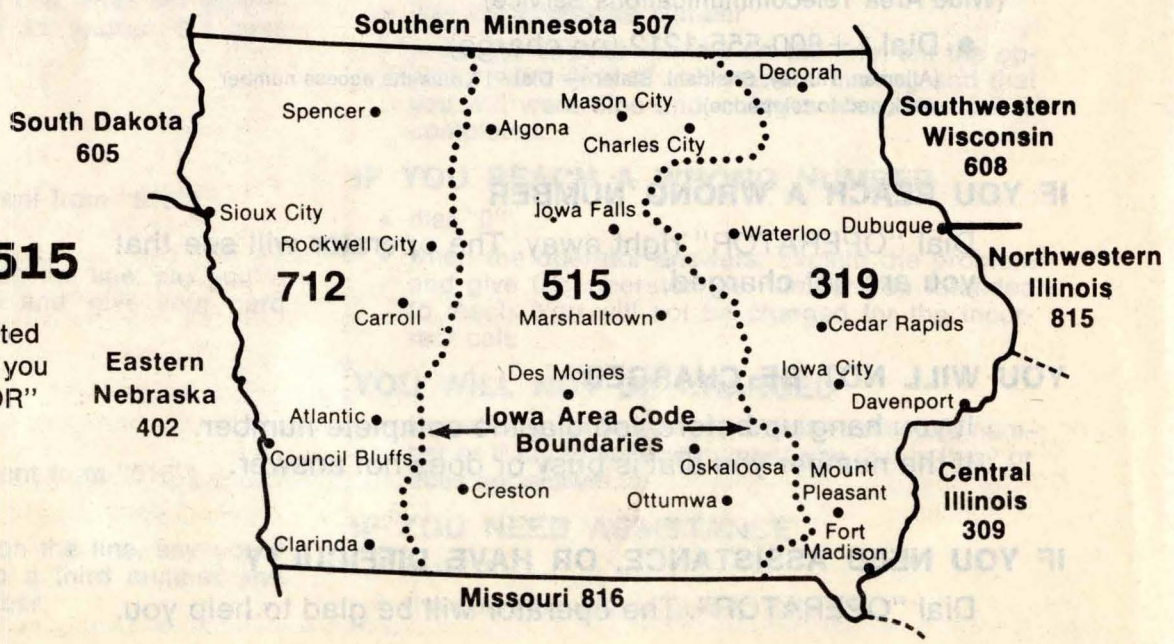

IF YOU NEED ASSISTANCE, OR HAVE DIFFICULTY

Dial "OPERATOR". The operator will be glad to help you.

25051 © Northwestern Bell Telephone Company 1978

area code map and time zones

your area code is 515

Area Codes for some cities are listed on call-guide 11 and 12. If the city you want is not listed, dial "OPERATOR" and ask for the area code.

types of long distance calls

(see call-guide pages 8 and 9 for long distance calling instructions)

bill to third number

Customers may place calls and transfer the charge to another telephone. This service requires "OPERATOR" assistance to record the number to be billed. The call may be either station-to-station or person-to-person.

collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. If your town is listed at the top of page 8, "Zero-Plus" dialing is now available so that you may dial these calls yourself. Operator-assisted rates apply on all collect calls.

credit card calls

If you have a telephone credit card, you may use it to have long distance charges listed on your regular monthly telephone bill. If your town is listed at the top of page 8, "Zero-Plus" dialing is now available so that you may dial these calls yourself. Operator-assisted rates apply on all credit card calls.

mobile and marine service

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships equipped for telephone service. Some of these calls can be completed by dialing, while others must be placed through the Operator. For information on other communications common carriers, consult the Yellow Pages under the headings of "Paging and Signaling" and "Radiotelephone Communications."

overseas calls

You can call practically any telephone in the world from your phone by dialing the operator. International Direct Distance Dialing (IDDD) to some foreign countries is available to Ames customers with numbers beginning 232-, 233-, 239-, 292-, 294-, or 296-. For information on how to use the service, a folder of dialing instructions can be obtained by calling the Northwestern Bell business office.

person-to-person calls

Call person-to-person when you wish to talk to a particular person or extension number. If your town is listed at the top of page 8, "Zero-Plus" dialing is now available so that you may dial these calls yourself. Rates for person-to-person calls are higher than for station-to-station calls, and the higher rate also appiles when you talk to an alternate person or extension. Charging starts when conversation begins. Operator-assisted rates apply on all person-to-person calls.

station-to-station calls

Call station-to-station if you'll speak with anyone who answers. You may dial these calls yourself. Rates are lower than for person-to-person calls, and charges begin when the phone you've called is answered.

From Coin Phones — Because operator involvement is required on dial-it-yourself station calls from coin phones, the lowest long distance rates do not apply.

time and charges

Customers, when placing calls, may request from the "OPERATOR" the amount of time and the charge for the call. This service requires "OPERATOR" assistance. The call may be either station-to-station or person-to-person.

Wide Area Telecommunications Service (Inward WATS)

Station-to-station long distance calls may be made, without charge to you, to those customers who have inward wide area telecommunications service. They offer this service to their customers calling from specific locations. Dial "1" as you do for any long distance call, next area code 800, then the special number of customers who have this service.

other special calls (Dial "OPERATOR")

Conference, Zenith or other calls requiring special handling should be placed with the operator.

25051 © Northwestern Bell Telephone Company 1978

general information

Rates and Regulations

Regulations and rules governing the furnishing of services by your Telephone Company are on file in your Business Office. A representative will be glad to assist you in obtaining information from them.

Customer Provided Telephone Equipment

Customers who provide their own telephone equipment are eligible for credit on extension charges or on the basic monthly rate. However, Federal Communications Commission rules require that these customers **must:**

1. Before connecting the equipment, notify the telephone business office of **which line** the connection will be made upon, plus **the registration number and the ringer equivalence number** that appear on the equipment. Equipment which has been **legally** connected to the network and equipment of the same type may be connected without a registration number until July 1, 1979. The manufacturer or retailer should be able to provide this information. If not, call your local telephone business office for assistance.

2. Connect the registered equipment through a standard jack provided by Northwestern Bell.

3. Follow the installation, operation, maintenance and repair procedures specified by the manufacturer. Customers must remove the equipment from use if it is defective or if the telephone company notifies them it is causing a hazard to the network. Customers will be responsible for making arrangements and paying for repairing and replacing their own telephone equipment. **Northwestern Bell at this time does not repair customer-provided equipment.** Our Repair Service will conduct tests to determine the location of the trouble. If a repair visit is required and the service difficulty is caused by your equipment, you will be charged for the visit.

Liability of Telephone Company

Service Interruptions

Northwestern Bell's liability for damages due to mistakes, omissions, interruptions, delays, errors or transmission defects in furnishing service or facilities is limited to an adjustment of charges for the period of time customer service is adversely effected.

The Company will make every reasonable effort to prevent interruptions of service. However, if a partial or complete service interruption does occur which is not due to negligence or a willful act by the customer, a prorate adjustment will be made. The adjustment will cover any fixed monthly or annual charges for service, equipment and facilities affected by interruptions as follows:

1. Interruptions extending beyond twenty-four (24) hours*—

   The Company will voluntarily adjust charges for services and equipment on a prorate basis from the time the interruption is reported or detected until service is restored. If in the Company's judgment, circumstances prevent a customer from notifying the Company of a service interruption, the requirement for notification to or detection by the Company may be waived. If known by the Company, the period adjusted will begin when the interruption occurred. In all other cases, the period adjusted will begin when the customer first becomes aware of the interruption.

2. Interruptions for a period less than twenty-four (24) hours*—

   When reported to the Company, adjustments for outages will be made if, in the Company's judgment, circumstances so warrant.

This tariff is on file with the Iowa State Commerce Commission and is also available for review at the Northwestern Bell Business Office.

*Independent telephone company tariffs may specify a different interruption time before a prorated adjustment will be made. This tariff information is available through your independent telephone company business office.

Directory Errors and Omissions

Northwestern Bell's liability due to errors in or omissions of directory listings shall be limited to and satisfied by an amount not exceeding one-half of the local exchange service charges (lines or trunks if PBX-CENTREX) for the service affected for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

This tariff is on file with the Iowa State Commerce Commission and is also available for review at the Northwestern Bell Business Office.

Annoying, Harassing and Threatening Calls

Annoying, harassing and threatening phone calls are punishable under State of Iowa or Federal law. If you receive such calls, hang up immediately. If they persist get in touch with your Telephone Business Office. Threatening calls should be reported immediately to the police.

Your Telephone Number Is Important

Make it easy for people to reach you. Include your area code—515—and telephone number on business stationery, statements and advertising. It helps others call you faster.

25051 © Northwestern Bell Telephone Company 1978

Northwestern Bell Residence Rates

These rates are for towns served by Northwestern Bell only. For other towns residence rates, check with the telephone company providing local service.

Rates on this page became effective January 1, 1978. State and Federal taxes are not included in the monthly rates shown.

Monthly Telephone Rates

Ames	Monthly Rate
One-party residence	7.80
Two-party residence	6.20

Gilbert, Napier

Rates for these communities vary, depending upon the distance from the exchange. Please check with your business office for specific rate information.

The following rates apply for all the communities listed above

	Monthly Rate
Telephone Extension	1.45
Princess phone (dial)	1.15
Trimline phone (dial)	1.45
Touch-Tone (per regular phone)	.50
Touch-Tone (per line)	1.05
Volume control	.75
Additional directory listing	.40

Installation and Change Charges

	Residence
Service Order (new service)	10.00
Service Order (subsequent)	7.00
Central Office Line	10.00
Traveling	3.00
Wiring (per phone if applicable)	8.00
Equipment Connection	2.00
Jack	2.00

Installation example—To have 3 telephones installed in a house or apartment with no prior wiring, the charges are $10 for the service order work, $10 for the central office work, $3 for the installer's trip, $24 for wiring ($8 each for 3 phones), $6 for equipment connection ($2 each for 3 phones), $6 for jacks ($2 each for 3 phones) for a total of $59.

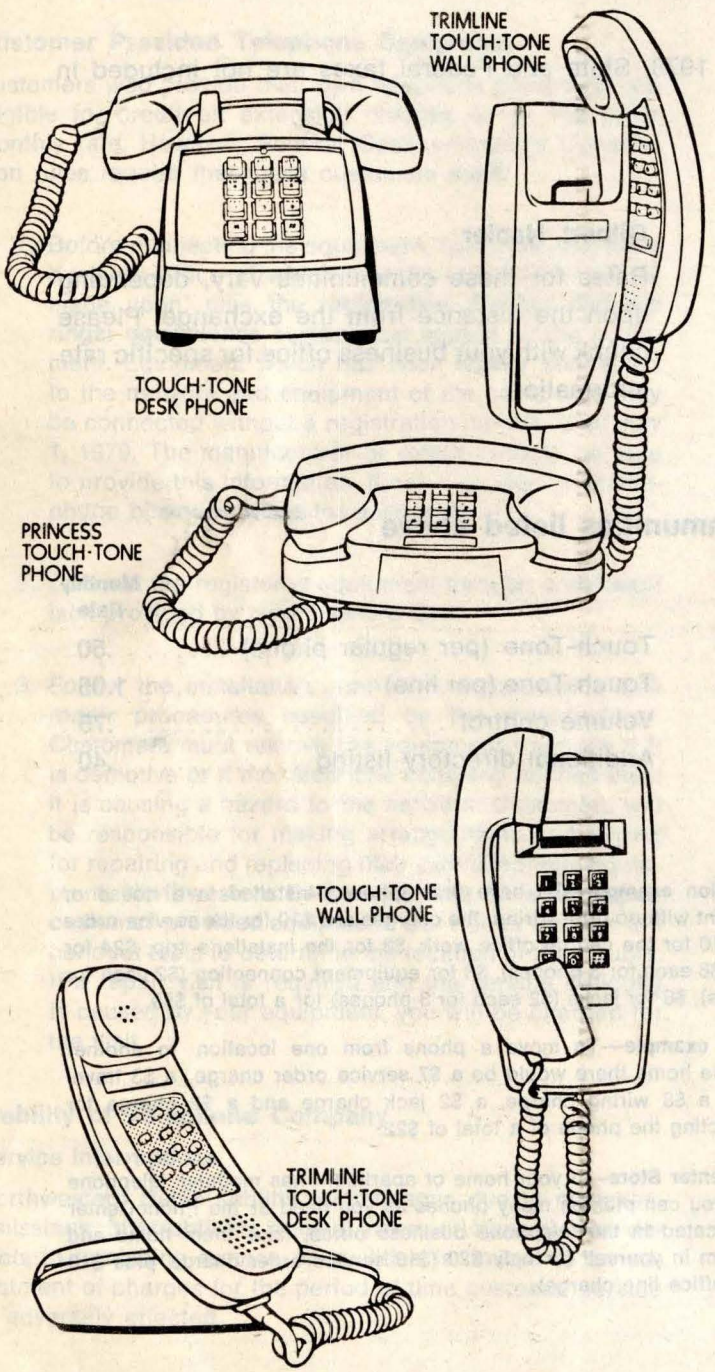

Change example—To move a phone from one location to another within the home there would be a $7 service order charge, a $3 travel charge, a $8 wiring charge, a $2 jack charge and a $2 charge for reconnecting the phone or a total of $22.

PhoneCenter Store—If your home or apartment has modular telephone outlets you can pick as many phones as you need at the PhoneCenter Store located in the telephone business office, take them home and plug them in yourself for only $20 ($10 service order charge plus $10 central office line charge).

25051 © Northwestern Bell Telephone Company 1978

modern telephone services

Many types of telephone services and equipment are available, each designed to give you greater convenience and value at home and at work. A few are described below. For more information on any of them, call your service representative in the business office.

extension phones

Strategically placed extension phones save you steps and time, give you added privacy. You can choose from a wide variety of style and color combinations.

the trimline® phone

Everything you need for easy call-making is right in the handsome, lightweight handset—hideaway dial or Touch-Tone buttons (they light up) and a handy re-call button that lets you make call after call without reaching to "hang up." And distinctive styling makes it an attractive addition to any decor.

touch-tone® service

Touch-Tone pushbutton calling brings extra speed and ease to telephoning. Check the availability of Touch-Tone service in your community.

other services

Speakerphones, for "hands free" calling . . . the Princess Phone, with the built-in "night light" . . . phones that dial numbers automatically . . . volume-control phones that let you adjust the loudness of the voices you hear. If you have a special telephone need, tell us about it. We have the right equipment to solve many problems.

directory listings

With your basic telephone service, you receive a primary listing in the White Pages of your phone book. You can list one name in the book, or two people with the same last name and phone number can be listed together in the directory without an additional monthly charge. When you call your service representative at the Business Office for a move or change in your phone service, ask about your choice of listings. If you call to change your listing only, there is a one-time service order processing charge. To make you easier to find, you may want to consider an additional listing of members of your family, or extra dual listings of those with the same surname.

additional telephone books

If you need an additional telephone book, contact the business office. There is no charge for local Northwestern Bell books or for individual copies of books for other Iowa communities served by Northwestern Bell. Telephone books for communities in other states are available for a charge. Supplies may be limited. For more information, contact the business office.

NORTHWESTERN BELL TELEPHONE COMPANY

Karen Lund, Manager 233-3730

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number then follow procedure below.

Eight-Party customers dial the listed number--a high whistling tone will indicate the telephone called is on your line. Then dial the party code number shown on the number plate on your telephone and follow procedure below.

PROCEDURE--After dialing the number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

What to do about annoying telephone calls

Here are some suggestions that will help you handle annoying telephone calls and perhaps keep them from recurring.

Annoying sales or survey calls

1. A telephone call is just as personal as a face-to-face conversation. Don't feel obligated to answer questions just because the caller sounds "official." Don't answer questions on the phone you wouldn't answer if they were asked by a stranger on the street.
2. Always find out who is calling; the name of the person and the company he or she represents.
3. If the caller is a salesperson and you aren't interested, say so. Ask the caller to send you all the information in a letter so you can consider it at your leisure.
4. If you don't recognize the name of the company conducting a survey, offer to call back or ask the caller to call you again after you have time to check the firm with the Better Business Bureau.
5. Remember, it's your phone and your time. If you're simply not interested, say so. If the caller is rude enough not to let you go graciously, hang up.

Nuisance Calls

1. Always use the telephone on your terms, not those of the caller. Don't talk to anybody unless you want to.
2. Ask the caller for his or her identity. When a voice asks, "Who is this?" don't answer. Instead, ask "What number did you call?" or "Who do you want?" If the call isn't legitimate, that very likely will end it.
3. Tell your children and their baby-sitter never to talk on the phone to anybody they don't positively recognize. An innocent comment like "Daddy's out of town" could be helpful to a burglar. Teach them to ask for the number so someone can call back later.
4. If the caller remains silent after you answer, *hang up!* Some want to listen, just to see what you'll do, particularly to see if you'll be angry. It isn't much fun listening to a dead line.

Abusive, harassing or obscene calls

1. As with the milder nuisance calls, this caller might remain silent for a little while. Don't give the caller a chance to get started. Hang up!
2. If a caller makes any obscene or suggestive remarks, hang up.

Threatening calls

In this category are the extreme cases—the bomb threats, the threats to life and property, the threats of kidnapping, robbery or bodily injury to members of the family. Sometimes, too, these calls are repeated over an extended period of time to harass and frighten a family. If you are unfortunate enough to be a victim of such a campaign, *call the police and call the telephone company—immediately.*
We will work with you and the police to eliminate the problem.

Persistent annoying calls

If you keep getting annoying calls, apparently from the same person, after you've used the techniques suggested on this page, call the telephone company's business office. We'll do our best to help.
We have representatives who are trained to investigate, and help identify the source of these calls.

Telephone Services for Special Needs

Services like the ones listed on this page have helped many people for whom telephone communication would otherwise be difficult or impossible. If you have a problem using your phone, please let us know. A solution may be right on hand. If not, we may be able to arrange for a special combination of services to meet your needs. Just call your local telephone company business office. The number is listed in the Call Guide pages at the front of this directory. We want to help.

If you have trouble hearing

VOLUME CONTROL HANDSET – an adjusting wheel lets you "turn up" the volume of a caller's voice.

BONE-CONDUCTION RECEIVER – for those with conductive hearing loss. The receiver sends sound directly to the inner ear, bypassing the eardrum and the middle ear.

CODE-COM – changes sound into sight signals by a flashing light... and into touch signals by vibrations on a small disk. If signals are coded in a prearranged way – such as dots and dashes – the deaf person can read them by watching the blinking light or feeling the disc with fingertips.

WATCHCASE RECEIVER – enables a deaf person to talk over the telephone with the help of a third person. The assistant listens to the party at the distant end, repeating the words. By reading the assistant's lips, the deaf person knows what's being said.

DATAPHONE® DATA SET – links telephones to teletypewriters, facsimile and telewriting devices, and other types of equipment used by persons with physical impairments.

Signals indicating the phone is ringing

BELLS AND GONGS – are available in a variety of volumes and sound ranges which most people with impaired hearing can hear.

LAMP INDICATOR – a light flashes to let you know the phone is ringing. Designed for those with serious hearing impairments or for locations where loud bells cannot be used.

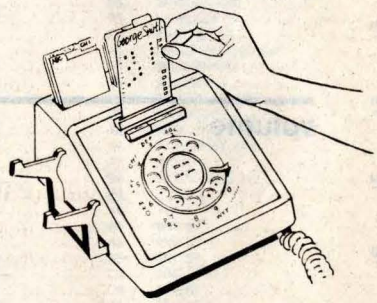

If you have trouble speaking

ARTIFICIAL LARYNX – substitutes electronic vibrations for the natural vibrations of the voice. Sound is produced when the electronic larynx is placed against the throat.

VOLUME CONTROL HANDSET – an adjusting wheel increases the volume of the speaker's weak voice.

If your vision is impaired

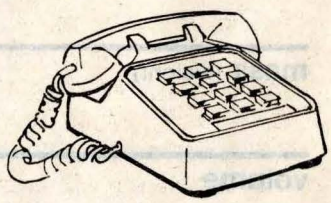

CARD DIALER PHONE – automatically dials a number when a pre-punched card is dropped into the slot.

SIX-BUTTON KEY SET – we'll modify a standard multi-line key phone so a blind person can hear – rather than see – which lines are illuminated.

If you have a motion handicap

SPEAKERPHONE – provides hands-free use of almost any type of telephone. A person can make or answer a call simply by pushing a button, without removing the handset from the cradle.

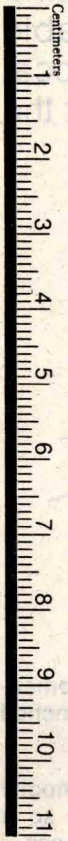

TOUCH-TONE® SERVICE – even when hands are paralyzed, a pencil or similar aid attached to a cuff or splint can push the buttons of the telephone.

HEADSETS – enable persons with physical impairments to enjoy hands-free communication. Several types are available. Some weigh less than two ounces.

AMES CIVIC INFORMATION

HISTORY—The village of Ames came into existence in 1864. That same year the Cedar Rapids and Missouri Railroad was extended to the new Story County settlement. This village was named after Oakes Ames, Massachusetts Congressman and railroad promoter, who had financial interest in the CR and Mo. R.R.

The presence of state and federal institutions has been a major factor in the growth of Ames. March 18, 1869 marked the formal opening of the "State Agricultural College and Model Farm". Now Iowa State University of Science and Technology (the name adopted by the 1959 Iowa General Assembly), has an enrollment of approximately 23,000 students.

GOVERNMENT—Ames operates under a Mayor-Council form of government with a City Manager. With this type of city government the City Council consisting of six members sets the policy and the City Manager administers it. The Mayor is elected for a 2-year term. The Mayor presides at Council meetings and is official city host.

PLANNING—The seven City Planning and Zoning Commission members are appointed by the Mayor for five-year terms. Professional assistance is provided by the Planning Division, Department of Community Development. In its functioning, the Commission considers such items as land use, comprehensive planning, zoning, subdivisions, and overall development directed toward the orderly growth of the community. The powers of the Commission are advisory and its recommendations are presented to the City Council.

WATER—From the original well with a pump and elevated wooden water tank, the Water Department has grown to a plant capable of producing 10,000,000 gallons of treated water a day. Equipment includes 13 gravel-packed wells, a 1,000,000 gallon capacity water tower, a 750,000 gallon capacity tower, and a 2,000,000 gallon capacity ground storage reservoir. There is an additional ground storage reservoir just completed that has a 5 million gallon capacity.

MUNICIPAL LIGHT AND POWER PLANT—Ames has had its own municipal light and power plant since 1896. It has been expanded several times to meet the increasing demands of a growing city. The total generating capacity is 81,000 kilowatts.

MARY GREELEY HOSPITAL—A donation from Captain W. M. Greeley in memory of his wife, founded the Mary Greeley Memorial Hospital in 1916. The first addition was built in 1939, the second addition in 1961 brought bed capacity to 160. Another addition completed in 1971 increased the capacity for general acute care for a total of 203 beds.

AIRPORT—The Ames Municipal Airport is located in the south part of the city west of Highway 69. The airport has had direct voice communication with Approach Control in Des Moines since July 1976. The main runway is 3500 feet in length and 100 feet in width.

FINANCIAL—Ames is served by three banks. Bank deposits as of December 1977 amounted to $125,110,575. There are three savings and loan associations.

COMMUNICATIONS—Ames is served by two local newspapers, one television station, two AM radio stations and three FM radio stations.

PUBLIC SCHOOLS—The school plant is comprised of 16 buildings. Total operation expense for the 1977-1978 year was $9,675,979.

IOWA STATE UNIVERSITY OF SCIENCE AND TECHNOLOGY—Colleges within the University are Agriculture, Education, Engineering Design, Graduate, Home Economics, Sciences and Humanities, and Veterinary Medicine.

A Land-Grant institution, Iowa State has a three-fold function:

1. Resident instruction on both the undergraduate and graduate levels.
2. Extensive programs of research.
3. Extension service throughout Iowa.

The research and service facilities of the University include the Agriculture and Home Economics Experiment Station, Engineering Research Institute, Center for Agricultural & Rural Development, Computation Center, Home Economics Research Institute, Industrial Relations Center, North Central Regional Center for Rural Development, Nutritional Sciences Council, Physiology Council, Research Institute for Studies in Education, Sciences and Humanities Research Institute, Soil Science Institute, Veterinary Medical Diagnostic Laboratory, Veterinary Medical Research Institute, Statistical Laboratory, Energy and Mineral Resources Research Institute, Water Resources Research Institute, and the World Food Institute.

The United States Department of Energy has a major laboratory for basic research on campus, operated as an integral part of the DOE.

University enrollment for the fall quarter of 1978 exceeded 23,000; the University staff was approximately 5,800.

University land in Ames and throughout the state totals approximately 7,300 acres. University campus and recreation areas total approximately 1,000 acres.

The new South Campus includes the $20 million Iowa State Center; a four-building complex, constructed with the use of gifts and student fees; the new football stadium, which was constructed without appropriated funds; and the new Veterinary Medicine Campus.

IOWA DEPARTMENT OF TRANSPORTATION—The Iowa Department of Transportation employs over 4,207 people statewide working with various modes of transportation, regulation, and registration. Nearly 1,500 of its personnel work in the Ames Complex.

NATIONAL ANIMAL DISEASE CENTER—The principal work of the National Animal Disease Center, a facility of the U. S. Department of Agriculture located in Ames, Iowa, is research on the principal diseases of livestock that occur in the United States. This is conducted by the Agricultural Research Service. About 20 percent of the facilities, however, are used to provide laboratory diagnostic service for some of the Department's disease-control field programs and for the regulation and control of biological products made and sold in inter-state trade by private commercial companies. This is provided by the Animal and Plant Inspection Service. At present the staff consists of 125 professional and scientific workers and 320 nonprofessional employees, a total of 445 persons.

The laboratory was constructed at a cost of $16,000,000 and the annual operating budget is in excess of $5,000,000.

STAFF AND RESIDENCE HALLS DIRECTORY

EMERGENCY CALLS FROM CAMPUS TELEPHONES

FIRE	Dial 9, then 911
POLICE	Dial 9, then 911
UNIVERSITY HOSPITAL	4-5801
UNIVERSITY SECURITY	4-4428

INFORMATION FOR LOCAL TELEPHONE NUMBERS

From campus telephones

For campus numbers	8 A.M. to 5 P.M. Dial Operator
For student numbers	8 A.M. to 5 P.M. Dial Operator 5 P.M. to 11 P.M. Dial 4-4357
For off-campus numbers	Dial 9, then 1411

YOUR UNIVERSITY HAS A MODERN TELEPHONE SYSTEM CALLED CENTREX

Centrex service is easy to use —

- **To call another campus telephone, just** dial the last five digits of the listed number.
- **To call an off-campus telephone,** dial 9, then dial the listed number.
- Off-campus callers and out-of-town callers can dial direct to University telephones without going through a central switchboard by dialing the complete 7-digit number.

YOU CAN DIAL ALL YOUR OWN LONG DISTANCE CALLS FROM DORMITORY PHONES

See page 8 in the front of the directory for complete dialing instructions.

WHEN YOU DIAL A LONG DISTANCE CALL, IT WILL BE AUTOMATICALLY CHARGED TO THE DORMITORY TELEPHONE YOU ARE USING

STUDENT DORMITORY BILLING

Northwestern Bell will send a statement of long distance calls to dormitory rooms about the 20th of each month. Each room resident will be responsible for his own calls, but it may be convenient for one roommate to collect for the calls the others made and pay the entire bill. Payment is due when bill is received and past due by the 1st.

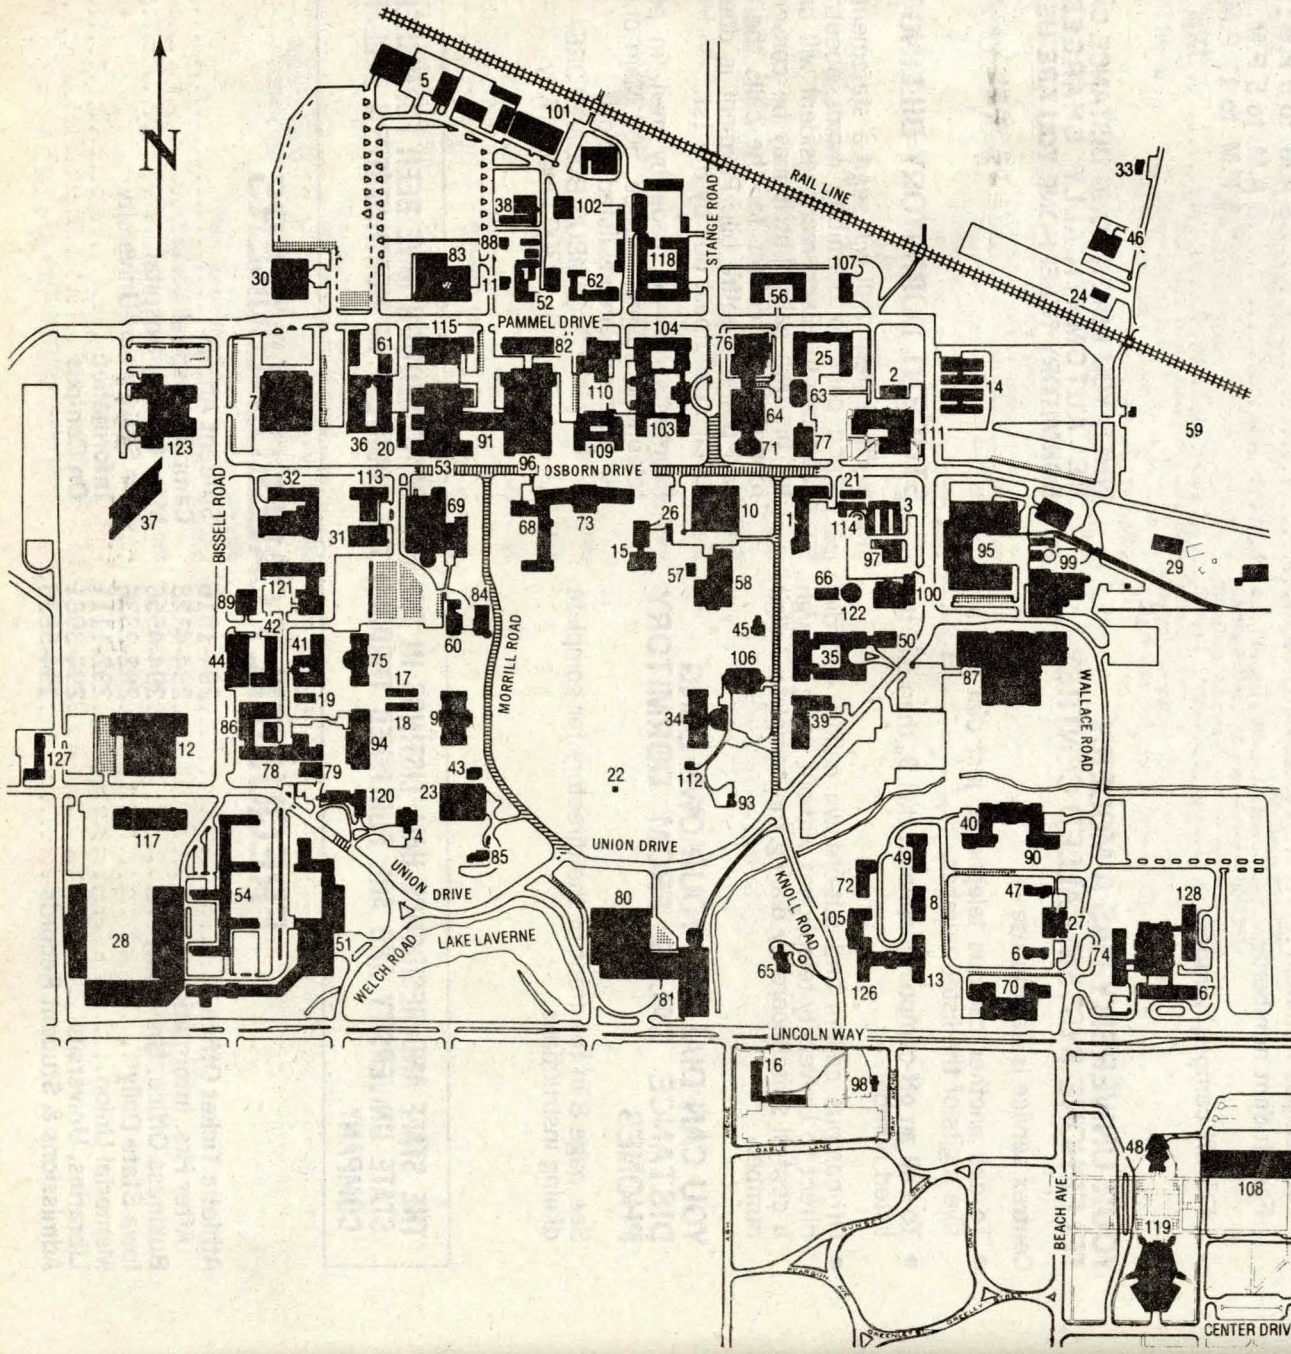

Payments can be made by mail, in person at the telephone business office, 509 Main or in person at our payment agency listed below:

CAMPUS BOOK STORE
2300 Lincoln Way

THE STAFF AND RESIDENCE HALL LISTINGS IN THE FOLLOWING SECTION HAVE BEEN FURNISHED BY IOWA STATE UNIVERSITY AND ARE PUBLISHED THROUGH THE COURTESY OF NORTHWESTERN BELL TELEPHONE COMPANY.

Telephone Services for Special Needs

Services like the ones listed on this page have helped many people for whom telephone communication would otherwise be difficult or impossible. If you have a problem using your phone, please let us know. A solution may be right on hand. If not, we may be able to arrange for a special combination of services to meet your needs. Just call your local telephone company business office. The number is listed in the Call Guide pages at the front of this directory. We want to help.

If you have trouble hearing

VOLUME CONTROL HANDSET – an adjusting wheel lets you "turn up" the volume of a caller's voice.

BONE-CONDUCTION RECEIVER– for those with conductive hearing loss. The receiver sends sound directly to the inner ear, bypassing the eardrum and the middle ear.

CODE-COM–changes sound into sight signals by a flashing light...and into touch signals by vibrations on a small disk. If signals are coded in a prearranged way–such as dots and dashes–the deaf person can read them by watching the blinking light or feeling the disc with fingertips.

WATCHCASE RECEIVER–enables a deaf person to talk over the telephone with the help of a third person. The assistant listens to the party at the distant end, repeating the words. By reading the assistant's lips, the deaf person knows what's being said.

DATAPHONE® DATA SET–links telephones to teletypewriters, facsimile and telewriting devices, and other types of equipment used by persons with physical impairments.

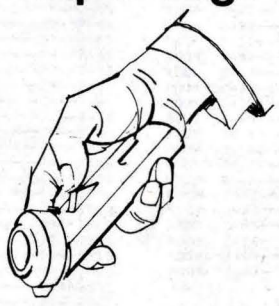

Signals indicating the phone is ringing

BELLS AND GONGS–are available in a variety of volumes and sound ranges which most people with impaired hearing can hear.

LAMP INDICATOR–a light flashes to let you know the phone is ringing. Designed for those with serious hearing impairments or for locations where loud bells cannot be used.

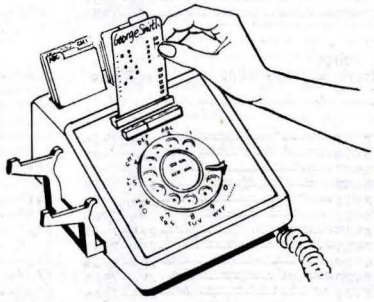

If you have trouble speaking

ARTIFICIAL LARYNX – substitutes electronic vibrations for the natural vibrations of the voice. Sound is produced when the electronic larynx is placed against the throat.

VOLUME CONTROL HANDSET – an adjusting wheel increases the volume of the speaker's weak voice.

If your vision is impaired

CARD DIALER PHONE – automatically dials a number when a pre-punched card is dropped into the slot.

SIX-BUTTON KEY SET – we'll modify a standard multi-line key phone so a blind person can hear–rather than see–which lines are illuminated.

If you have a motion handicap

SPEAKERPHONE – provides hands-free use of almost any type of telephone. A person can make or answer a call simply by pushing a button, without removing the handset from the cradle.

TOUCH-TONE® SERVICE–even when hands are paralyzed, a pencil or similar aid attached to a cuff or splint can push the buttons of the telephone.

HEADSETS–enable persons with physical impairments to enjoy hands-free communication. Several types are available. Some weigh less than two ounces.

What to do about annoying telephone calls

Here are some suggestions that will help you handle annoying telephone calls and perhaps keep them from recurring.

Annoying sales or survey calls

1. A telephone call is just as personal as a face-to-face conversation. Don't feel obligated to answer questions just because the caller sounds "official." Don't answer questions on the phone you wouldn't answer if they were asked by a stranger on the street.
2. Always find out who is calling; the name of the person and the company he or she represents.
3. If the caller is a salesperson and you aren't interested, say so. Ask the caller to send you all the information in a letter so you can consider it at your leisure.
4. If you don't recognize the name of the company conducting a survey, offer to call back or ask the caller to call you again after you have time to check the firm with the Better Business Bureau.
5. Remember, it's your phone and your time. If you're simply not interested, say so. If the caller is rude enough not to let you go graciously, hang up.

Nuisance Calls

1. Always use the telephone on your terms, not those of the caller. Don't talk to anybody unless you want to.
2. Ask the caller for his or her identity. When a voice asks, "Who is this?" don't answer. Instead, ask "What number did you call?" or "Who do you want?" If the call isn't legitimate, that very likely will end it.
3. Tell your children and their baby-sitter never to talk on the phone to anybody they don't positively recognize. An innocent comment like "Daddy's out of town" could be helpful to a burglar. Teach them to ask for the number so someone can call back later.
4. If the caller remains silent after you answer, *hang up!* Some want to listen, just to see what you'll do, particularly to see if you'll be angry. It isn't much fun listening to a dead line.

Abusive, harassing or obscene calls

1. As with the milder nuisance calls, this caller might remain silent for a little while. Don't give the caller a chance to get started. Hang up!
2. If a caller makes any obscene or suggestive remarks, hang up.

Threatening calls

In this category are the extreme cases—the bomb threats, the threats to life and property, the threats of kidnapping, robbery or bodily injury to members of the family. Sometimes, too, these calls are repeated over an extended period of time to harass and frighten a family. If you are unfortunate enough to be a victim of such a campaign, *call the police and call the telephone company—immediately.*
We will work with you and the police to eliminate the problem.

Persistent annoying calls

If you keep getting annoying calls, apparently from the same person, after you've used the techniques suggested on this page, call the telephone company's business office. We'll do our best to help.
We have representatives who are trained to investigate, and help identify the source of these calls.

AMES BUSINESS SECTION

Including GILBERT, NAPIER

NORTHWESTERN BELL TELEPHONE COMPANY

Karen Lund, Manager 233-3730

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number then follow procedure below.
Eight-Party customers dial the listed number--a high whistling tone will indicate the telephone called is on your line. Then dial the party code number shown on the number plate on your telephone and follow procedure below.

PROCEDURE--After dialing the number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

JEWELL

NORTHWESTERN BELL TELEPHONE COMPANY

M. K. SHARP, Manager
832-9900 (Call Webster City Collect)

Your complete telephone number is needed on long distance calls–both to and from Jewell–and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers–82–may be omitted.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421.

After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

GENERAL TELEPHONE

TO CALL A PARTY ON YOUR LINE

If on repeated attempts to call a number the line is always busy it may be that the called number is on your line. Or if it is known that the party you wish to call is on your line, and you wish to call that party, proceed as follows:

1. Lift your receiver and listen for dial tone.
2. Dial 99 and directory listed number.
3. After dialing you will hear the busy tone. Then replace your handset. Allow a reasonable length of time for the other party to answer, then pick up your handset and talk.
4. When the party you are calling answers, he will hear a 'ticking' sound which indicates that he should wait for calling party to speak.
5. If the called party does not answer, replace your handset.

Bell System Yellow Pages

How to be a better buyer

Millions of people "Let Their Fingers Do The Walking" and shop the Yellow Pages. They find the Yellow Pages an easy, convenient source of telephone numbers and buying information.

As publishers of the Yellow Pages, we want you to be satisfied with our product and to use it frequently. And we know that the best way to do this is to keep your confidence in our directories. We are proud of our record! We will not knowingly accept misleading or unethical advertising. If copy not meeting our standards is found, it is quickly removed.

To help you get greater value in all your buying, we have listed some good shopping tips which are worth remembering.

Price. Service provided after a sale may affect the selling price. Ask if the selling price included delivery, installation and service charges. Also ask about returns and refunds.

Estimates and Receipts. On major purchases, obtain estimates from more than one company. Receipts should be obtained for all payments, as well as for appliances taken from your home or left for repair.

Service and Repair. Check the cost of service calls by telephone When the repair person is on the premises, ask for an estimate of the total cost of repair, then get an itemized bill before paying.

Contracts and Credit Details. Don't be rushed into signing a contract if you are unfamiliar or unsure. Ask for a copy to take home for a careful review. Learn the terms, interest rate, and payment plan. Be sure to retain a copy of everything you sign.

Guarantees. All guarantees and promises should be in writing. Find out who is responsible for carrying out the terms of the guarantee. If there is a registration card, be sure to send it in.

We know that you will find Yellow Pages Shopping a rewarding experience.

Extension telephones in color add a smart touch to telephone convenience.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

Always make sure that the telephone receiver has been replaced properly -- that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

(Continued Next Page)

You'll find all kinds of repair services in the Yellow Pages under the heading that describes the service you want.

Money-saver tips:

On a limited budget?

If you're on a limited budget, you could consider having only one rotary dial telephone for your home. Telephone service without Touch-Tone® dialing or extension phones saves money but sacrifices convenience. However, with one basic phone you do have a variety of colors and wall or desk models to choose from, at no extra charge.

Maybe basic service is the answer

A two-party telephone line costs less than one-party service. You'll have to determine, however, whether the savings is worth the inconvenience of sharing your line with others.

Check the front pages of this directory for other useful information about your telephone service.

Look in the Book:

For business telephone numbers use the Yellow Pages.

For home telephone numbers use the White Pages.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Call-Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tips:

On a limited budget?

If you're on a limited budget, you could consider having only one rotary dial telephone for your home. Telephone service without Touch-Tone® dialing or extension phones saves money but sacrifices convenience. However, with one basic phone you do have a variety of colors and wall or desk models to choose from, at no extra charge.

Maybe basic service is the answer

A two-party telephone line costs less than one-party service. You'll have to determine, however, whether the savings is worth the inconvenience of sharing your line with others.

Check the front pages of this directory for other useful information about your telephone service.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

An extension bell on your patio, garage or on a pole in your yard will help you hear your telephone ring when you are out-of-doors.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Money-saver tips:

On a limited budget?

If you're on a limited budget, you could consider having only one rotary dial telephone for your home. Telephone service without Touch-Tone® dialing or extension phones saves money but sacrifices convenience. However, with one basic phone you do have a variety of colors and wall or desk models to choose from, at no extra charge.

Maybe basic service is the answer

A two-party telephone line costs less than one-party service. You'll have to determine, however, whether the savings is worth the inconvenience of sharing your line with others.

Check the front pages of this directory for other useful information about your telephone service.

Need solutions to business communications problems?

Whatever your communications needs, call on the Bell System team for answers. We'll recommend specific communications solutions to help you run your business more profitably.

- Planned long distance usage
- WATS
- Counsel on selling, prospecting or collecting accounts by telephone
- Advanced equipment, installed and serviced by the Bell System
- Data communications systems

For the system (and the solutions to your communications needs), call Northwestern Bell. A specialist for your industry is ready to help.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Extension telephones in the kitchen, den, bedroom or laundry room take the "run" out of running a home. When the telephone rings – you're there.

Want to be sure of getting the right product before you buy? Then turn to the heading in these Yellow Pages that describes what you want — under which you'll find someone to help you.

Today's demand for comfortable living includes a telephone in each of the areas of your home where your family sleeps, plays and works.

You can list other members of your family in the telephone directory for a slight charge. It will help their friends find them faster and easier.

For business telephone numbers use the Yellow Pages.

For home telephone numbers use the White Pages.

yellow pages

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Call-Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

The Yellow Pages list businesses, services, products and professions under headings arranged to help you find what you want.

Need a number? Look in the book.

Allow enough time for the person you are calling to answer. Waiting a few more seconds before you hang up may avoid another call.

Keep a list of frequently-called numbers near your telephone.

WIERSON FURNITURE
YOUR KEY TO BETTER VALUES

How to be a better buyer

Price. Service provided after a sale may affect the selling price. Ask if the selling price included delivery, installation and service charges. Also ask about returns and refunds.

Estimates and Receipts. On major purchases, obtain estimates from more than one company. Receipts should be obtained for all payments, as well as for appliances taken from your home or left for repair.

Service and Repair. Check the cost of service calls by telephone. When the repairman is on the premises, ask for an estimate of the total cost of repair, then get an itemized bill before paying.

Contracts and Credit Details. Don't be rushed into signing a contract if you are unfamiliar or unsure. Ask for a copy to take home for a careful review. Learn the terms, interest rate, and payment plan. Be sure to retain a copy of everything you sign.

Guarantees. All guarantees and promises should be in writing. Find out who is responsible for carrying out the terms of the guarantee. If there is a registration card, be sure to send it in.

Want to be sure of getting the right product before you buy? Then turn to the heading in these Yellow Pages that describes what you want — under which you'll find someone to help you.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Riverside Manor 1204 S 4 Ames --- 233-2903

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

Foam Insulation is one of Your best home improvements.

Protect your home with quality insulation. One of the best home improvements you can make.

Your home can be made energy efficient in a matter of hours with Aerolite Foam Insulation. The better your home is insulated...the more energy it saves...and the lower your fuel bills will be.

Realize a substantial fuel savings with full wall and ceiling insulation. Aerolite pays for itself in a few short years and saves you additional money for a lifetime.

Year 'round comfort can be yours ...at a price you can easily afford.

Make your next home improvement Aerolite Foam.

Call collect for a free estimate today!

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

How to be a better buyer

Turn to page 1 of the Yellow Pages section of this directory for complete information.

Bell System Yellow Pages

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Call-Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Always make sure that the telephone receiver has been replaced properly -- that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Worry-saver tip:

Be ready for an

Emergency

Turn to the inside front cover of this book. You'll find a list of numbers to call in case of emergency situations.

1125 Hancock Dr Boone-- 432-7203

Extension telephones in the kitchen, den, bedroom or laundry room take the "run" out of running a home. When the telephone rings, you're there!

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

An extension bell on your patio, garage or on a pole in your yard will help you hear your telephone ring when you are out-of-doors.

You can list other members of your family in the telephone directory for a small charge. It will help their friends find them easily.

Want to be sure of getting the right product before you buy? Then turn to the heading in these Yellow Pages that describes what you want – under which you'll find someone to help you.

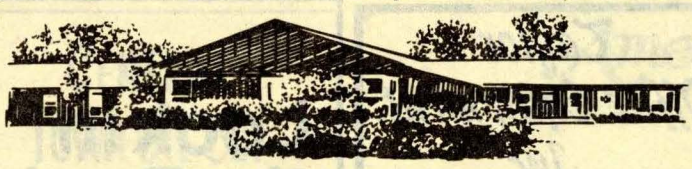

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Riverside Manor Nursing and Convalescent Care

"A FRIENDLY PLACE TO LIVE OR CONVALESCE"

A MODERN COMPLEX DEDICATED TO CARE OF OUR RESIDENTS

From the moment you become acquainted with Riverside you will notice an atmosphere of thoughtful consideration of those we care for. Around the Clock service is indicated by the continuous care we give. You are always welcome at Riverside.

Bell System Yellow Pages

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

Extension telephones in the kitchen, den, bedroom or laundry room take the "run" out of running a home. When the telephone rings – you're there.

Worry-saver tip:

Be ready for an
Emergency

Turn to the inside front cover of this book. You'll find a list of numbers to call in case of emergency situations.

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Look in the Book:

For business telephone numbers use the Yellow Pages.

For home telephone numbers use the White Pages.

Total systems for business communications . . . from the Bell System team

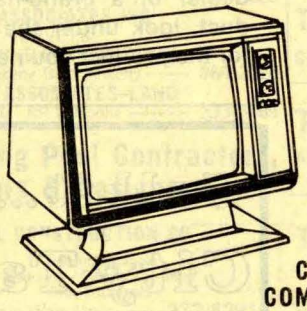

No matter what your communications needs, chances are Bell professionals have the answers. Northwestern Bell will provide a total system that's tailored specifically to your business. We're equipped to do it ... because we're part of the Bell System team.

- Fast, reliable products and network services
- Data communications systems
- Counsel on telephone selling, prospecting and collecting accounts
- Systems to help you communicate with customers; from desk to desk, office to office, or city to city

For the system (and the solution to your communications problems), call Northwestern Bell. Ask for the Account Representative specializing in your industry.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Money-saver tips:

On a limited budget?

If you're on a limited budget, you could consider having only one rotary dial telephone for your home. Telephone service without Touch-Tone® dialing or extension phones saves money but sacrifices convenience. However, with one basic phone you do have a variety of colors and wall or desk models to choose from, at no extra charge.

Maybe basic service is the answer

A two-party telephone line costs less than one-party service. You'll have to determine, however, whether the savings is worth the inconvenience of sharing your line with others.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

You can list other members of your family in the telephone directory for a slight charge. It will help their friends find them faster and easier.

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Outdoor public telephone booths never close. They're at your service day and night – holidays and Sundays.

Look in the Book:

For business telephone numbers use the Yellow Pages.

For home telephone numbers use the White Pages.

IMPORTANT FACTS FOR PEOPLE IN BUSINESS...

DID YOU KNOW... TWO GROUPS OF *ACTION* BUYERS RELY ON THESE YELLOW PAGES?

BECAUSE . . . they are always available to provide complete buying information at the moment buyers want the products and services you sell.

GROUP I

BUYERS LOOKING FOR A PARTICULAR FIRM. . .

Because:

1. Other satisfied customers have RECOMMENDED you.
2. They have been influenced by your other ADVERTISING.
3. You or your sales people have previously SOLICITED their business, but they weren't ready to buy. Now they are.
4. They're PASSERS-BY who have seen your place of business and were impressed.
5. They're FORMER CUSTOMERS of yours who want to do business with you again.

THESE BUYERS WANT TO DO BUSINESS WITH YOU SPECIFICALLY, AND THEY WILL, IF YOU WILL HELP THEM LOCATE YOU BY MAKING SURE...

1. Your firm can be found under all of the headings which apply to your business.
2. You capitalize on your location or address.
3. You display the slogan or emblem by which your firm is readily identifiable.
4. Your firm is listed by all of its known names.
5. If your firm name has an unusual spelling, feature it prominently.

GROUP II

BUYERS LOOKING FOR ANY FIRM. . .

Because:

1. They're NEWCOMERS to:
   - Your Market Area
   - A Hobby or Sport
   - A Family Situation (Marriage)
2. They're EMERGENCY buyers.
3. They're DISSATISFIED with their present source of supply.
4. They buy INFREQUENTLY.
5. They're seeking COMPETITIVE BIDS.
6. They're TRANSIENTS.

BUYERS SEEKING ANY FIRM TO DO BUSINESS WITH ARE INFLUENCED IN THEIR SELECTION BY CERTAIN FACTORS IN ADVERTISING COPY SUCH AS:

1. Reliability
   Years in business, experience, etc.
2. Authorized Sales & Service
   Brand Names
3. Safety & Protection
4. Complete Details of Service
   Delivery, "Open 24 Hours", etc.
5. Illustrations & Emblems
6. Location

TO REACH BOTH GROUPS
PLAN A PROGRAM NOW
IN THE *ACTION* MEDIUM...

yellow pages

Call your Yellow Pages representative to plan your program. Look in the Yellow Pages under "Advertising-Directory & Guide."

25051 © Northwestern Bell Telephone Company 1978

LISTINGS: *the most basic form of Yellow Pages Identification*

LISTINGS...IDENTIFICATION...APPLICABLE HEADINGS

Headings in Yellow pages describe the product, service or profession so that users can find a firm by knowing the phrase or word that describes its type of business

LISTINGS are for IDENTIFICATION under all applicable headings.

One Service Listing is provided with business phone service. Additional listings provide the very minimum in complete Yellow Pages identification.

Bold Type Listings add prominence to Column Identification

Bold Telephone Numbers add prominence & convenience to Column Identification

Extra Lines provide a means of emphasising descriptive information

Alternate Call Listing provides an additional telephone number

Headings Appear In 12 Pt Bold Type

Firm Name in Regular Type
Address---------- 000-0000

FIRM NAME IN BOLD CAPITAL LETTERS
Address---------- 000-0000

FIRM NAME IN BOLD CAPITAL LETTERS
Address---------- **000-0000**

Extra Line Information About Products or Services Up To 25 Words

If No Ans Call---------- 000-0000

TRADE MARK SERVICE: *for Brand Name Identification*

Trade Mark Headings "tie-in" with National Advertising & Promotion

Optional Line

Captions distinguish between manufacturer-dealer-distributor, etc

Dealer Name & Telephone Number in Bold is optional

Trade Name Listings identify brands, but do not provide space for Trade Marks or text matter

Trade Extra Lines, Alternate Call Listings, and Trade Directional Extra Lines are available under the Dealers name, subject to rules of regular & directional extra lines

BRAND NAME IN BOLD TYPE

DESCRIPTIVE TEXT or APPROPRIATE SALES MESSAGE

Trade Mark

"WHERE TO BUY IT"

DEALER
Dealer Name in Regular or **BOLD** Type
Address---------- **000-0000**

BRAND NAME IN BOLD TYPE
DEALER NAME IN REGULAR CAPITAL LETTERS
Address---------- 000-0000

SPACE ADS: *Column Identification with added Promotional Value*

- They add prestige to a column listing
- They are surrounded by a border
- They permit emphasis in text matter
- Type sizes up to 12 point area available
- Italic letters add impact and interest
- Layouts may use many variations
- Location emphasis is available
- Telephone Number is in Bold Type
